

## Cordico App Discovery Meeting Prep

### Agenda

- Introductions
- Overview of the Cordico App
  - What standard content is offered
  - What customizable content is offered
- App Build Process
  - Wellness Liaison training
  - How to submit content for your app
  - Agency deliverables with milestones
  - Timeline
- Next Steps

### Who should attend?

**Required:** You!

**Recommended:** Any Wellness Advocates/leaders in your department. These could be members of your HR Department, Peer Support Team, CISM Team, Chaplains, or in-house Clinicians.

### Optional Prep Work

**It is not required to have these completed before our Discovery Meeting.** If you would like to get a head start on your app build, you may start collecting the content and resources you utilize and would like in your app, such as:

- Image(s) of your agency's logo/badge/patch
- Landscape style image for app screen background (e.g. city skyline, patrol car, local park, etc.)
- Peer Support Team contact information (images and bios are encouraged, but optional)
- Chaplain Support Team contact information (images and bios are encouraged, but optional)
- Employee Assistance Program information
- Therapist List, and their contact information (images and bios are encouraged, but optional)
- Any additional resources or content you would like to see in the app (Information on events you will be having, recommended wellness programs, link to agency policies, department specific workouts, etc.)
